4	Dear Zoe, Thanks for the e-mail. As for both parents working, I think this trend will continue. Many families only have one child these days, which makes it a bit easier for both parents to work. It also helps them earn extra money. I don't think that socializing with co-workers is such a good idea. It's better to meet friends so that you can relax and talk about things that have nothing to do with work. Finally, I think it's a good idea to learn a martial art. Not only does it keep you fit but you can also use it to defend yourself if someone tries to attack you. I hope my answers help. Take care, Harumi
